

Press Release:

Klein Karoo Smulpaap Toekennings
The Klein Karoo Gourmand Awards

Karoo Art Hotel is proud to announce that their restaurant has once again be awarded the prestigious "Klein Karoo Gourmand Award / Klein-Karoo Smulpaap Toekennings" – rating it to be amongst the top restaurants in the Klein Karoo !

The judges focus on quality, service, presentation and consistency, but aspects like the ambience, wine stewards, the menus and wash rooms are also taken into consideration. The Klein Karoo Gourmand Awards / Klein-Karoo Smulpaap Toekennings were initiated by the respected foodies Francois Ferreira and Anne Hadley in 2012.

Karoo Art Hotel's restaurant "The Gallery" serves contemporary food with a focus on regional Karoo dishes, all designed with a twist. We believe that good food should be

enjoyed with good wines and stock some excellent South African wines - with many astonishingly good wines from the Klein Karoo region, not to be seen on any other wine list.

Karoo Art Hotel is a member of Chaine des Rôtisseurs, the international culinary guild and of the SA Chef's Association.

Food is Art!
