

Chef Toitnette du Toit presenting Weekend Dinners during wintertime at Karoo Art Hotel

Chef Toitnette is a Klein Karoo local – and was raised in her Grandmother's kitchen in Barrydale!

Toitnette refined her trade after her studies in various fine dining restaurants - she worked overseas as chef in Bahrain and England. She was Head Lodge Chef at Sanbona and has a long affiliation with the Karoo Art Hotel. Her repertoire includes Lebanese and English country boutique hotel fine dining.

She produces quality artisan meats, from curing to smoking. She is heading our kitchen in the winter months in ensuring our guests receive top-class Klein Karoo cuisine when eating at the hotel. Toitnette will be offering great winter dishes such as soups, bredies, curries, steaks and various lamb dishes for dinner over weekends at the Karoo Art Hotel.

We have a number of open fireplaces, a friendly bar for drinks pre or post dinner and a good wine list!
